

# HFK PARISH CENTER TIMES

"Your Bi-Weekly Construction Update"

## Construction Update:

Volume 1, Issue 12, 12/11/09

The entire building perimeter is now tented to allow for the ongoing cleaning and sealing of the CMU. Also, as of last week PSE has hooked up the power in the Parish Center. Office area framing is almost complete and insulation/GWB will be going on the walls next week. Glazing is scheduled for the following week.

11/19/09 - North Entry

12/08/09 - Exterior East Elevation

12/08/09 - Tenting along south elevation

12/08/09 - First layer of Wet-Flash at window sill

12/08/09 - SOG at Social Hall window sill

12/08/09 - Hallway Framing

12/09/09 - Framing along South Entry hallway

12/08/09 - Carriers for restroom toilets
